July 26, 2017

Welcome and Program Outline

General Counsel Report by Mike Miller

You'll receive a CEO-level briefing on this issue that'll not only alert you to the concerns; but arm you with what you can do to prevent an unexpected catastrophic liability. The issues include the NRLB is transforming the definition of "Joint Employer," new regulatory impacts of the Trump administration and the shake-up in the Board of Employee Leasing Companies.

Florida Workers' Compensation Legal Update by Torben Madson

Briefing on key developments in workers' compensation that will impact your PEO.

Senator Jack Latvala Chairman, Appropriations Committee

Florida Legislative outlook on issues impacting the PEO industry including workers' compensation.

Networking Refreshment Break

Florida Legislature's Philosophy on Regulation by David Daniel

When working with legislative leaders to resolve what appeared to be a small misunderstanding in the regulatory environment at the Department of Business and Professional Regulation, we encountered a fundamentally different philosophy on regulation in Florida. Mr. Daniel will provide insight on what this philosophy means for your company and the PEO industry.

Governor Member Presentations

Federal Affairs and State by State Legislative Update by Pat Cleary, Farah Fielder, and Daniel Harris

Discover the legislative activity impacting your company in states around the country. Plus, you'll also receive an update on the industry's efforts to impact and interpret Federal legislation on your behalf.
