

NAPEO PAC

COMPANY NAME:

NAPEO has formed a political action committee (PAC) to support members of Congress who share the policy goals and agenda of NAPEO and the PEO industry. NAPEO's government affairs efforts are changing our industry. The PEO industry has a phenomenal story to tell and needs more supporters walking the halls of Congress. Help us further this important initiative with your signatures below.

We should note that federal law prohibits corporations from approving solicitations by more than one trade association PAC per calendar year. *Please sign for each year you authorize NAPEO to provide communications to and solicit voluntary contributions from the senior executive team and management level employees of your company.*
